

2025 Ministry Recap

2026 Honduras Mission Trip!

Our mission trip to Honduras was a success and it was an indescribable blessing to return to the mission field after being away since 2020. Check out Facebook for more stories <https://www.facebook.com/northtxm>

As we look to 2026, we will again serve the village of San Marcos de Sierra, July 11-18, 2026.

Registration is open, for more information visit: <https://ntxmissions.org/blog/>

Serving Through the Years: A Journey of Care and Connection in Honduras

Kyle Huff reflects on the heart and history of North Texas Missions, a ministry that for nearly 20 years has remained committed to providing medical and dental care while deepening its impact through long-term relationships. He shares the blessing of returning once again to the mountains of Honduras and the village of San Marcos de Sierra, where North Texas Missions continues to serve through free medical and dental care while also being called deeper into service through special cases and new ministry opportunities. Through faithful, year-after-year presence, God has built trust, opened doors for preaching and partnership with the local church, and brought tangible growth in both people and the community—encouraging hope for how He will continue to work in the years ahead.

Serving with Love, Witnessing God's Faithfulness

Maddie Freeman shares a heartfelt reflection on her experience serving on a medical mission trip, where her love for children and growing medical background came together in powerful ways. She describes the joy and faith she witnessed in the village's children, whose happiness and resilience deeply encouraged her, as well as meaningful moments of creativity and compassion—especially caring for a young boy with cerebral palsy and supporting families through simple but life-changing solutions. Through these slower, intentional moments, Maddie highlights how God worked through the team to build deep connections with one another and with the community, leaving a lasting impact on everyone involved.

From Journalism to Dental Chairs: Learning to Serve Wherever Needed

Rian Williams shares a personal story of stepping outside expectations and discovering the power of serving wherever the need arises. What began as a journalism-focused mission quickly turned into hands-on medical and dental work, cross-language collaboration, and meaningful relationships that revealed both the challenges and the deep joy of caring for others. Through these experiences, Rian reflects on how everyone has something valuable to contribute and how genuine connection can open our eyes—and hearts—to the real needs of a community.

Reflection: Loving Others Through Sacrifice

Kade McDonald offers a heartfelt reflection on mission work, identity, and what it truly means to love others through sacrifice. Through personal challenges and meaningful encounters, Kade shares how God used unexpected circumstances to reshape their perspective, revealing that missions are not just about where we go, but how we live, serve, and represent Christ every day—both abroad and at home.

When Prayer Meets Practical Care

Colby and Regina Pigg returned to Honduras in 2025 for their second mission trip with North Texas Missions, praying for opportunities to use their physical therapy skills—and seeing God answer. They helped meet practical needs by creating mobility solutions for an elderly woman with cancer, a young boy with cerebral palsy, and a man recovering from serious injuries, while also helping distribute baby formula and milk to families in need. The trip was a meaningful opportunity to serve the people of San Marcos de la Sierra through compassionate, hands-on care.

More Than Medicine: A Mission to Proclaim Christ

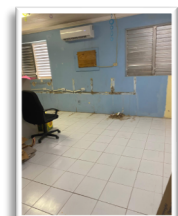

Drawing from 1 Timothy 2:3-4, Ernesto Zuniga's testimony reflects how God led him into service with North Texas Missions despite initial hesitation and feelings of inadequacy. What began as reluctance due to a lack of medical skills became a powerful calling to share the Gospel, as God redirected expectations and used obedience to ignite spiritual growth, and shape his ministry path. Through multiple trips to Honduras, Ernesto, encouraged by his wife Shelly, came to understand that NTM's work is not merely medical, but Gospel-centered—meeting physical needs while pointing people to the greater need of forgiveness through Christ.

Bahamas: The sunrises on the island never cease to amaze!

NTM partners with Dona Banks who continues her work with Freedom to Read, Inc., an organization that refurbishes, remodels libraries up and down the island. Recently, Emily G. Petty Primary School, located in Governor's Harbour, Bahamas partnered with Freedom to Read, Inc. to establish a new library, which included a generous donation of books. Dona Banks worked with the school to replace current shelving, which was inadequate and unable to accommodate the expanding collection, with custom-built shelves. Additionally, a computer table was constructed to further enhance the learning environment. These improvements will significantly increase accessibility, providing students with greater opportunities to pursue their interests and foster a love of reading.

On her visit this summer, Dona worked mainly in a school library in Deep Creek, cataloging books so the library will be ready for student use.

Thank you for your ongoing support of the ministry of North Texas Missions. Your support enables the ministry and our partners to share the love of Jesus Christ through the message of salvation and through tangible help to those in need.

"The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.' Matthew 25:40

Blessings!

Bob Johnson
North Texas Missions
